Date: December 9, 2015

### **NOTICE OF A DRAFT AIR CONSTRUCTION PERMIT**

**WILBERT PLASTIC SERVICES  
2930 GREENVILLE HIGHWAY  
EASLEY, SOUTH CAROLINA  
(PICKENS COUNTY/ UPSTATE, GREENVILLE EQC OFFICE)  
AIR PERMIT NO. 1880-0052-CR**

Wilbert Plastic Services, Inc. has applied to the SC DHEC for an air construction permit to install new equipment at their existing facility. A draft permit and Statement of Basis have been written by the BAQ outlining this proposed project and applicable regulations. This permit will enable the facility to construct and operate in compliance with state and federal air quality regulations. The draft permit has not yet been approved and is open to comment from the public, affected states, and the United States Environmental Protection Agency (EPA).

Wilbert Plastic Services, Inc. is a thermoplastic injection molding facility. The facility is requesting to install a new paint line with water wash paint spray booths that will use robotic electrostatic paint guns. Emissions generated by this facility as a result of the proposed project will include: Particulate Matter (PM); Particulate Matter less than 10 micrometers in diameter (PM10); Particulate Matter less than 2.5 micrometers in diameter (PM2.5); Sulfur Dioxide (SO2); Nitrogen Oxides (NOx); Carbon Monoxide (CO); Volatile Organic Compounds (VOC); and Hazardous Air Pollutants (HAPs). If this permit is approved, a federally enforceable facility-wide limit of less than 250 tons per year (TPY) for VOC, PM, PM10, and PM2.5, each, will be established. This will enable the facility to be below Prevention of Significant Deterioration (PSD) major source thresholds.

If approved, and upon issuance of the draft construction permit, the facility will be considered a major source for Title V applicability purposes. Therefore, the facility will be required to submit a Part 70 (Title V Operating) permit application within twelve (12) months after it becomes subject to the SC Title V Operating Permit Program.

Interested persons may review the materials drafted and maintained by DHEC for this facility and submit written comments on the draft permit by the close of business, which is 5:00 p.m., on January 7, 2016, to David Meekins at the above DHEC address or by e-mail at [meekindr@dhec.sc.gov](mailto:meekindr@dhec.sc.gov). All comments received by 5:00 p.m., on January 7, 2016, will be considered when making a decision to approve, disapprove, or modify the draft permit. Where there is a significant amount of public interest, DHEC may hold a public hearing to receive additional comments. Public hearing requests should be made in writing to David Meekins at the above DHEC address or by e-mail. If a public hearing is requested and scheduled, notice will be given thirty (30) days in advance. If you have questions concerning the draft permit, please contact Michael Daugherty at the phone number listed above. A final review request (appeal) may be filed after a permit decision has been made. Information regarding final review procedures is available from DHEC's legal office at the above address or by calling (803) 898-3350. Information relative to the draft permit will be made available for review through, January 7, 2016, at the DHEC Columbia Office listed above and at the following location:

SC DHEC, Upstate-Greenville EQC Office, 200 University Ridge, Greenville, SC 29601 at (864) 372-3273.

Information on permit decisions and hearing procedures is available by contacting DHEC at either address listed above. Copies of a draft permit or other related documents may be requested in writing at a \$.25 per page charge. Please bring this notice to the attention of persons you know will be interested in this matter.
